

Requirements

for Oakland Heritage Alliance “Partners In Preservation” awards program

For a nomination to be accepted, nominee or OHA board member must do the following:

1. Provide several high-resolution digital photographs for the PowerPoint deck. If the nominee is a building restoration, provide “before” and “after” photos of the exterior.
2. Provide a one-to-two page writeup describing the project or individual. If there is a website with material already posted, this can be copied to meet the requirement.
3. Provide names and contact information for each person to be given a certificate for the nominated project, using the form provided by OHA.
4. One person must agree to respond to email and/or phone messages in the weeks prior to the awards event, to answer questions as needed.
5. At least one person from each project must attend the awards event, although certificates will be issued to those who are unable to attend.

Categories for awards – the category for the award will be determined by the OHA nominations team. There is no limit on the number of awards given in any one category.
